

**VIRGIL T. BLOSSOM SCHOLARSHIP FUND**

**A unique thank you.... A meaningful honorarium... A lasting memorial tribute...**

These and many other expressions of appreciation are open to you as a donor of the Virgil T. Blossom Scholarship Fund. Established to honor the late Virgil T. Blossom, Superintendent from 1959 to 1964, the Scholarship Fund is an excellent means of furthering quality education through assisting North East Graduates who plan to enter the teaching profession. From each North East high school, recipients are chosen annually for 4-year scholarships to be renewed each year throughout their college careers. This means that as many as 24 students will be given financial assistance each year through the fund sponsored by the North East Council of PTAs. What better way to honor someone who has contributed to North East's quality educational program than by a tax-deductible gift to the Blossom Scholarship Fund!
